*It's in our hands to ensure an accurate count!*

## Mandated every 10 years, the Census Counts Every Person Living in the U.S. - Citizens & Noncitizens

**It's Important** – Census data directly affects how more than \$400 billion in federal and state funding is allocated to communities for housing, public health, schools, neighborhood improvements, transportation and more.

**It's Easy** – It takes less than 10 minutes to complete the questionnaire, which you will receive in March 2010.

**It's Confidential** – It is illegal for the Census Bureau to share personal information with any other government agency – not law enforcement, IRS, Welfare, FBI, Immigration, etc.
