Sergeant Crowley's Statement Regarding the Cambridge Review Committee's Final Report:

"I certainly don't expect anyone to fully understand the dynamics of the encounter when they weren't there, but I was pleased that the Committee took the time to speak with me and give my account of the arrest. No one that knows me thought that the arrest was based on race in any way. Arrests are based strictly on behavior. I've learned a lot through this process and I continue to be committed to the city of Cambridge, my responsibilities as a police officer and father, and my dedication to teaching fellow officers about the need for balancing tolerance and safety.

I hope that everyone can respect my decision to put this event behind me and not discuss it any more. I do not want my family to have to go through what they did last summer."

Sergeant Crowley will not be granting any on camera, radio or print interviews. Out of respect for his family, please do not go to his home or call his home.
