DETAIL OFFICER RESPONSIBILITIES

P **NOTE** Priority detail officers cannot leave the post without someone to cover the position prior to leaving the post.

P1 Detail officer 1 shall assist vehicles from Concord Ave into the detour. If MBTA buses, School buses, tractor trailers or emergency vehicle approach the road closure then stop traffic and allow these special vehicles through.

P2 Detail Officer 2 shall assist vehicles through the work zone and shall stop traffic to allow special vehicles through the work zone.

P3 Detail Officer 3 shall assist vehicles through the intersection while focusing on maintaining the flow of vehicles from the detour.

P4 Detail Officer 4 shall assist vehicles through the intersection while focusing on maintaining the flow of vehicles from the detour and assist the students going to and leaving the school.

P5 Detail officer 5 shall assist vehicles through the intersection and revolve for breaks.

General Traffic Management Notes	Special Requirements	City of Cambridge Department of Public Works									
<ul style="list-style-type: none"> • All traffic management shall be by MUTCD Standards. • All Traffic Management signs shall be on posts, stands or as determined by the Engineer. • Equipment shall not occupy the road until all traffic control devices are in place in accordance with the approved Traffic Management Plan. • Signs shall not be moved from the approved location without the Engineers approval. • All signs shall be removed or covered when the detour is not in use or at the suspension of work each day. • This TMP is subject to change by the City or Engineer. 	<ul style="list-style-type: none"> • Hours of Street Occupancy: 9:00 am to 3:00 pm. • The work zone shall be barreled off with lighted barrels spaced at the most 25 feet apart. • The contractor shall maintain one 11 feet wide travel lane for Emergency Vehicles, MBTA Buses and School Buses which shall pass through the work zone. • The officers at each end of the work zone shall assist the MBTA and School busses through the road closure and through the work zone. • The area that the contractor requests to be clear of parked vehicles for the work must be posted by the contractor as "No Parking" with Cambridge Police Department approved signs. These signs shall be placed every 25 feet along the areas that needs to be cleared of parked vehicles for the work 48 hours in advance. • Bike lanes shall be maintained and coned off as will pedestrian walk ways within the work zone. 		<table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td colspan="2" style="text-align: center;">Concord Ave. Detour (Fresh Pond Parkway - Walden)</td> </tr> <tr> <td colspan="2" style="text-align: center;">Traffic Management Plan</td> </tr> <tr> <td style="width: 50%; text-align: center;">Approved</td> <td style="width: 50%; text-align: center;">4/01/2014</td> </tr> <tr> <td colspan="2" style="text-align: center;">Page 1 of 2</td> </tr> </table>	Concord Ave. Detour (Fresh Pond Parkway - Walden)		Traffic Management Plan		Approved	4/01/2014	Page 1 of 2
