RE: Huron B Sewer Separation Project

NOTICE OF UPCOMING DETOURS:
Two-Way Traffic (Standish & Alpine Streets)

Dear Residents,

As part of the ongoing construction of the **Huron B - Alewife Sewer Separation Project**, the City's contractor, Barletta Heavy Division, is scheduled to begin work on Vassal Lane (Alpine to Fayerweather) on or about **Monday, June 30, 2014**. The sewer and drain work will take approximately 8-12 weeks to complete, with all remaining water main work to take place at a later date, depending on the contractor's schedule and weather conditions.

During this work, access through Vassal Lane will be limited and traffic detours will be in effect (*see attached maps*). **DETOUR 1*** will be in effect **June 30 – July 10**, and **DETOUR 2*** will be in effect **July 11 – Further Notice** (*Monday-Friday, 7am-4pm only).

For **DETOUR 1, Standish Street** will become a TWO-WAY street during working hours, with NO parking on the ODD side of the street.

For **DETOUR 2, Alpine Street** will become a TWO-WAY street during working hours, with no parking on BOTH sides of the street.

We ask you to pay attention to the "**NO PARKING**" signs, which will be posted 24-hours in advance. Please refrain from parking in these areas during the posted hours. Monthly street sweeping WILL remain in effect during this time.

If you have any questions about this work, contact Bruno Cardarelli, Resident Engineer for Kleinfelder, the City's engineering consultant, or KyAnn Anderson of Kleinfelder, the City's Community Relations Manager. For any special needs that you may have, please contact KyAnn Anderson via the information below.

For weekly construction updates and potential schedule changes, please see the project website at: <http://www.cambridgema.gov/theworks/HuronB>.
