NOTICE OF UPCOMING CONSTRUCTION ON PEMBERTON STREET

Massachusetts Ave to Fairfield St

Dear Pemberton Road Neighbor:

The City has awarded a contract for the reconstruction of a number of streets throughout Cambridge to D'Allessandro Corporation, which includes the following work on *Pemberton St from Mass Ave to Fairfield St*:

Sidewalk Reconstruction: The contractor will demolish existing sidewalks, remove and reset granite curbing, and place new sidewalks, driveways and curb ramps throughout the project area.

Roadway Paving: The roadway will be repaved and new pavement markings will be installed.

Schedule

The contractor will mobilize on Pemberton St starting the week of May 16. We expect the work to take 4 to 5 weeks to complete. General work hours will be 7 AM to 4 PM, Monday-Friday. "No Parking" signs will be posted at least 24 hours in advance of construction; please be sure to check posted signs for exact dates and times.

We will continue to update the neighbors as the construction progresses.

Information and Assistance

For any information or assistance during this project, please contact Kelly Dunn, Community Relations Manager, at 617-349-4870 or kdunn@cambridgema.gov. Contact Kelly to:

- ✓ Arrange an accommodation or continuation of special services for anyone with a disability or special need.
- ✓ Learn about how you can help street trees along the street, either by "adopting" a newly planted tree on your block (especially watering during dry weather)- or- by signing up for the "back-of-sidewalk" tree planting program, through which a tree can be planted on private property within 20 feet of the public sidewalk at *no cost to the owner*.
- ✓ Sign up to change your sidewalk frontage's material (described in more detail on the reverse of this notice).

In case of an emergency after hours or on weekends, please call the 24-Hour line at 617-349-4800.

Thank you for your patience during this construction, and we hope you enjoy these improvements once they are completed.

Sincerely,

Kelly Dunn, Community Relations Manager
Cambridge Department of Public Works

Sidewalk Material Selection Form

It is the City's policy to replace existing sidewalks with the same material (concrete with concrete, brick with wire cut brick). However, during this project, property owners will have the option of changing their sidewalk material as described in this form. In considering the options for sidewalk materials, please be informed that concrete is the material most frequently used in the city and provides a relatively inexpensive, durable and easy to maintain accessible sidewalk.

Date: _____

Property Owner Name: _____

Property Owner Address: _____

Address to have sidewalk replaced (if different from above):

Property Owner Telephone Number

Daytime: _____ Evening: _____

Please check the material of your choice:

- Replace existing concrete sidewalk with wire cut brick at \$97 per square yard***
- Replace existing brick sidewalk with concrete (no charge)
- Keep existing material (no charge and no need to submit form)

*** Property owners may choose to have wire cut brick sidewalks instead of concrete sidewalks. However, this will cost the property owner \$97 per square yard in order to cover the difference in cost between concrete and brick. Payments can be made by cash, check, Visa, or MasterCard [please note that the City cannot accept credit card payments over \$1,000].

Please sign below before returning the form. In so doing, you affirm that:

I am the owner of the property in question and I understand that the cost of upgrading to brick is \$97 per square yard. If I have selected this option the City will calculate the cost based on the square footage and present the costs to me; I will indicate my acceptance by paying the full cost within 14 days of the date of the invoice. If my payment is not received by then, the City will replace my sidewalk with the existing material.

Signature: _____

Date: _____

Return this form by Friday, May 20, 2011 to Tracy Dwyer, Department of Public Works, 147 Hampshire Street, Cambridge, MA, 02139, or fax 617-349-4868.
