

**New Street**  
**SURFACE RECONSTRUCTION**  
**Beginning Friday, June 10<sup>th</sup>, 2016**

Dear Residents/Business Owners,

Starting the on **Friday, June 10<sup>th</sup>** (weather permitting), the City's contractor, Barletta Heavy Division, will be undertaking **roadway reconstruction** of New Street. Surface reconstruction includes roadway demolition, base course paving and curb and sidewalk reconstruction. Final paving will occur at a later date, for which you will receive a separate notification. This combined work is anticipated to take 8 weeks to complete, with areas being impacted intermittently during this time.

**What to Expect During Surface Reconstruction:**

- Construction hours are 7am to 4 pm.
- There will be **No Parking** allowed on the streets between the hours of 7 am and 4 pm. Please pay attention to posted signs.
- Vehicle traffic will be limited during roadway demolition and paving, between the hours of 7 am and 4 pm. Signage and/or police details will be onsite to assist traffic.
- When work occurs directly in front of driveways or entryways, the contractor will coordinate access directly with residents.
- Emergency vehicles will have access to all properties at all times.
- City services will continue uninterrupted.

For any special needs that you may have, contact Elise Curley, Community Relations Manager, or questions about this works or other concerns, contact John Sabbatelli, Resident Engineer.
