

Waterhouse Street Construction Update

Construction resumes the week of April 22, 2013

Dear Waterhouse Street Neighbor:

The City's Contractor, Tasco Construction Company, resumed construction on Waterhouse Street earlier this week. Major construction activity is expected to be completed this summer. This week, crews will begin performing sidewalk work on the north side of Waterhouse Street (across the street from Cambridge Common) between Garden Street and Massachusetts Avenue. The sidewalk work is expected to be completed in 3-4 weeks. Following the sidewalk reconstruction, crews will then begin to construct a raised intersection where Concord Ave meets Waterhouse Street. The last phase of the project includes the repair of the roadway with line striping.

What to expect during construction

- General work hours will be from 7AM to 4PM, Monday thru Friday.
- "No Parking" signs will be posted at least 24 hours in advance of construction. Please be sure to check posted signs for exact date and times.

For Information and Assistance During Construction

If you have any questions about the construction or need assistance, including if you have any special needs or disabilities that requires a special accommodation, please contact Chris Neil at (617) 349-4825 or cneil@cambridgema.gov. Gary Agnello, the City's construction project manager, will be available throughout the project to assist the community. Gary will often be out onsite, and can also be reached at 617.293.9386. More information about the project can be found at www.cambridgema.gov/theworks/cityprojects. **In case of emergency, please call the Cambridge Public Works Department at 617-349-4800.**

Thank you in advance for your patience and understanding during this construction. We hope you enjoy these improvements once they are completed.

Sincerely,

Chris Neil
Community Relations Manager
City of Cambridge - Department of Public Works
