STREET CLEANING ROUTES AND SCHEDULES

Public Works mechanically sweeps each street in Cambridge once per month, April through December (weather permitting). Signs are posted on each residential street indicating the schedule. In order to ensure that streets are properly cleaned, cars must move off the side of the street being swept to avoid being ticketed and towed.

Street Cleaning routes scheduled to be swept on a holiday will be rescheduled. Although the City will post temporary signs announcing the change, we recommend using our online Street Cleaning schedule tool (see instructions below). To view the complete street cleaning schedule for the year at CambridgeMA.Gov/StreetCleaning (available by February 28) or see below for how to sign up for reminders. Furthermore, sometimes street cleaning is canceled due to inclement weather; sign up for reminders or for "service alerts only" to get up-to-date information.
