Meeting venue: City Hall Annex, 334 Broadway, Cambridge MA 02139 (4<sup>th</sup> floor conference room) and via Zoom webinar

### Meeting objectives

- Discuss how to center transportation equity in the Net Zero Transportation Plan:
  - Clarify what outcomes we are working toward to make transportation more equitable; and
  - Think about ways to measure whether strategies meet these outcomes.

### 08:45 Advisory Group members arrive

- Breakfast provided

### 09:00 Welcome and checking in

- Check-in
- Welcome new members
- Review agenda
- Review/approve last meeting's summary

### 09:20 What should the Net Zero Transportation Plan do to make transportation more equitable?

- Ideas and principles from Advisory Group members so far about making transportation more equitable
- Share examples of frameworks to evaluate equity in planning processes
  - [Mobility Equity Framework](#), Greenlining Institute
  - *LA Metro Rapid Equity Assessment* in [Tools for Equitable Mobility](#), Barr Foundation (pages 25-28)
- Discuss:
  - What do you like from the example frameworks we shared? What may be missing?
  - What should this plan to do to make transportation more equitable?
    - *If we have time: brainstorm ways to measure whether the plan achieves equity outcomes*
