Sarah,

Thank you for reaching out regarding this. Attached are the plans for the proposed signage design as requested.

I've also included Eden Lindeman, Marine Layer's project manager, to help with answering any questions you might have.

Thanks,

I received your application for signage, lighting, and cleaning of existing storefront and masonry. If the wall sign and blade sign conform to the base zoning code, this will not require a hearing of the Historical Commission. Please send the drawings to Liza Paden at Community Development and ask for a Sign Certification Form or apply online for a sign permit.

In the meantime, I'll advertise this for a Commission hearing on the off chance that it is not zoning compliant. I can remove the case from the Commission's May 2 agenda if we can resolve it administratively.

Sincerely,  
Sarah Burks
