The Nineteenth Amendment Centennial Committee proposes to place four (4) temporary A-Frame signs on the Cambridge Common near the intersection of Massachusetts Avenue and Waterhouse Street. The signs would be up from Monday, April 20, 2020 to Friday, May 8, 2020 to promote public awareness of public artwork planned for the site and direct passers-by to the project website to view artists' proposals.

The sign dimensions are 2' x 3'. They will be placed just off the walking paths. The material will be weather resistant. The Nineteenth Amendment Centennial Committee is working with students at CRLS to design the sign imagery, however all signs will include the same general information: a project description, the project website address, and the dates during which the public will be able to comment on artists' proposals.
