Re: 207 & 227 Cambridge Street

Dear Mr. Sullivan:

Please accept this correspondence as a request by the owner of the above-captioned property to further extend the demolition delay period associated with the Commission's finding on April 7, 2016 that the structures were preferably preserved, for an additional two months.

The applicant has been meeting for several months with representatives of the East Cambridge Planning Team (ECPT) on a revised proposal that would involve housing with below grade parking and several small retail uses on the ground floor.

Please let me know if any additional information is needed in order for this request to be approved.

Very truly yours,

James J. Rafferty
