### **Harvard Square Conservation District Requirement to Post Notice**

Excerpted from the City Council Order Establishing the Harvard Square Conservation District, December 2000  
Section VII. Public Notice

In addition to the notice requirements in Ch. 2.78.230, applicants scheduled to appear before the Historical Commission in a public hearing shall place a public notification placard on the premises that are the subject of the application. Placards shall be posted not less than seven days prior to the meeting and shall be maintained in public view and legible condition until the Historical Commission's determination is filed with the City Clerk. Placards shall be obtained by the applicant from the Historical Commission and shall be located as indicated on a plan provided by the Historical Commission. Placards shall be securely mounted on the subject premises at the street line or within the property, but not more than 20 feet from the street line, so as to be legible to persons passing on the public street without the necessity of trespassing. Stolen, destroyed, or illegible placards shall be promptly replaced and placards shall be promptly removed after the filing of the Historical Commission's determination. Information to be placed by the applicant on the placard shall indicate the address of the property; the date, time, and place of the public hearing; the nature of the action requested; and the application case number.
