Quality Requirements

The Quality Requirements can be found on page 7 of this document. Please complete the Quality Requirements form and include in the non-price proposal. A no response or a failure to respond to any of the Quality Requirements will result in a rejection of your bid.

Interview

The City may conduct interviews to determine if the proposers are responsive and responsible and if their expertise meets the needs of the City. Proposers should therefore be prepared to travel to Cambridge for this interview, which should include the Team Leader and additional key personnel who will be providing the Retail Strategy Consultant Services on a day to day basis. The City will not assume any travel costs related to these interviews.

SECTION V: SCOPE OF SERVICE SPECIFICATIONS

The goal of the Retail Strategic Plan is to develop a strategy of best practice policies and programs that will support and enhance the ground level active use and retail environment in Cambridge. The Consultant will craft this strategy by understanding the City's current retail landscape and analyzing expected development potential and retail trends. Therefore, the Retail Strategic Plan will at a minimum: (1) Present an overall state of the City's current retail while identifying unmet retail needs and how to meet them (e.g. new zoning, public-private partnerships, programming, transportation, and building infrastructure); (2) Identify short and long-term goals forming the basis for the City's new retail retention and recruiting strategy; (3) Highlight the City's strengths, weaknesses, opportunities and threats relating to retail retention/recruitment, based on regional current and expected conditions; (4) Identify appropriate retail mix for each of the commercial districts, as well as replicable methodology; (5) Identify key actions and best practices the City might consider to enhance its marketability and visibility to retailers and other ground floor businesses.

The consultant will be expected to use data provided by the City staff as well as initiate their own data collection efforts, including conducting stakeholder interviews with key organizations, property owners, business owners, and public officials. To create an optimal retail mix of uses, area users must be analyzed, therefore the consultant should analyze the varying impact of

Request for Proposal for Retail Strategy Consultant Services

resident, employee, and visitor expenditures as primary sources of sales, productivity and retail vitality in every commercial district. This should include a comprehensive demographic analysis of each consumer group, using census-based data, visitor spending data from the State of Massachusetts and Cambridge Office of Tourism, information from university-industry sources on average spending among undergraduate and graduate student populations to inform assumptions about existing and potential sales, spending patterns, and trends in the amount and distribution of disposable income levels.

A competitive position analysis should be conducted to consider and compare Cambridge's position to competing retail clusters in the greater Boston area. This analysis should include how accessibility and offerings affect future growth potential and retail voids; as well as the role for walkable environments, bike lanes, regional transit and parking policy to help or hinder perceptions about retail access, but also how to leverage access to increase retail appeal. The position analysis should also take into account a retail leakage and share analysis to inform both incremental sales potential, as well as strategic directions to re-capture, retain and draw new expenditures to Cambridge from targeted markets, within the existing character of the competitive regional retail environment.

The outcome of these analyses should inform City staff efforts toward serving the most logical submarkets that will strengthen the existing mix and reinforce its niche in the regional marketplace, both now and based on expected development in Cambridge. The Consultant will provide specific actions for the City, including:

- Policy actions;
- Improvement of internal process issues;
- Potential selected use of incentives;
- Operating suggestions (such as: hours of operations, engagement in events and festivals, investment into commercial districts and partnering organizations, promotional marketing of Cambridge, and how to best manage the evolution of retail as the city and the region changes);
- Recommended locations for retail expansion, use clusters, and parking/transit implications of future retail (and other land use) base on growth patterns in Cambridge;
- Proven methods that will bolster retail recruitment efforts – staffing needs, budgeting, timing, partnerships, retail/property owner involvement, marketing and other factors affecting success; and
- Comments on relative benefits and considerations about each market segment sought for recapture/expansion.

The City was recently awarded a 5-STAR Rating from STAR Communities (STAR). STAR is the nation's leading framework for evaluating local sustainability. CDD is also overseeing the City's master planning process, Envision Cambridge. These frameworks should be considered and incorporated into any recommendations.

The Consultant will be expected to present the retail strategy analysis information in user friendly visual and verbal formats understandable to a variety of community stakeholders and may be required to attend public meetings to present the information.

City of Cambridge CORI Policy

1. Where Criminal Offender Record Information (CORI) checks are part of a general background check for employment or volunteer work, the following practices and procedures will generally be followed.
2. CORI checks will only be conducted as authorized by Criminal History Systems Board (CHSB). All applicants will be notified that a CORI check will be conducted. If requested, the applicant will be provided with a copy of the CORI policy.
3. An informed review of a criminal record requires adequate training. Accordingly, all personnel authorized to review CORI in the decision-making process will be thoroughly familiar with the educational materials made available by the CHSB.
4. Prior to initiating a CORI check, the City will review the qualifications of the applicant to determine if the applicant is otherwise qualified for the relevant position. The City will not conduct a CORI check on an applicant that is not otherwise qualified for the relevant position.
5. Unless otherwise provided by law, a criminal record will not automatically disqualify an applicant. Rather, determination of suitability based on CORI checks will be made consistent with this policy and any applicable law or regulations.
6. If a criminal record is received from CHSB, the authorized individual will closely compare the record provided by CHSB with the information on the CORI request form and any other identifying information provided by the applicant, to ensure the record relates to the applicant.
7. If, in receiving a CORI report, the City receives information it is not authorized to receive (e.g. cases with dispositions such as not guilty or dismissal, in circumstances where the City is only authorized to receive convictions or case-pending information), the City will inform the applicant and provide the applicant with a copy of the report and a copy of CHSB's *Information Concerning the Process in Correcting a Criminal Record* so that the applicant may pursue correction with the CHSB.
8. If the City of Cambridge is planning to make an adverse decision based on the results of the CORI check, the applicant will be notified immediately. The applicant shall be provided with a copy of the criminal record and the City's CORI policy, advised of the part(s) of the record that make the individual unsuitable for the position and given an opportunity to dispute the accuracy and relevance of the CORI record.
9. Applicants challenging the accuracy of the criminal record shall be provided a copy of CHSB's *Information Concerning the Process in Correcting a Criminal Record*. If the CORI record provided does not exactly match the identification information provided by the applicant, the City of Cambridge will make a determination based on a comparison of

the CORI record and documents provided by the applicant. The City of Cambridge may contact CHSB and request a detailed search consistent with CHSB policy.

10. If the City of Cambridge reasonably believes the record belongs to the applicant and is accurate, then the determination of suitability for the position will be made. Unless otherwise provided by law, factors considered in determining suitability may include, but not be limited to the following:

(b) Amount of wage. The Living Wage shall be calculated on an hourly basis and shall be no less than \$10.00, subject to adjustment as provided herein. The Living Wage shall be upwardly adjusted each year no later than March first in proportion to the increase at the immediately preceding December 31 over the year earlier level of the Annual Average Consumer Price Index for All Urban Consumers (CPI -U) Boston-Lawrence-Salem, MA - NH, as published by the Bureau of Labor Statistics, United States Department of Labor applied to \$10.00.

2.121.040 Waivers and Exceptions.

(a) Waivers. A Covered Employer may request that the City Manager grant a partial or whole waiver to the requirements of this Chapter.

(b) General Waivers. Waivers may be granted where application of this Chapter to a particular form of Assistance is found by the City Solicitor to violate a specific state or federal statutory, regulatory or constitutional provision or provisions, and the City Manager approves the waiver on that basis.

(c) Hardship Waivers for certain not-for-profit employers. An employer, who has a contract with the City of Cambridge which is not subject to the provisions of G.L. c. 30B, may apply to the City Manager for a specific waiver where payment of the Living Wage by a not-for-profit Covered Employer would cause a substantial hardship to the Covered Employer.

(d) Chapter 30B contract waivers. Prior to issuing an invitation for bids for a procurement contract subject to the provisions of G.L. c. 30B, any Applicable Department may apply to the City Manager for a waiver of the application of the Living Wage to the contract where payment of the Living Wage by a Covered Employer would make it inordinately expensive for the City to contract for the services or would result in a significant loss of services, because the contracted work cannot be segregated from the other work of the Covered Employer.

(e) General Waiver Request Contents. All General Waiver requests shall include the following:

- (1) The nature of the Assistance to which this Chapter applies;
- (2) The specific or official name of the Assistance and Assistance program, the statutory or regulatory authority for the granting of the Assistance, and a copy of that authority;

- (2) A detailed explanation of why payment of the Living Wage would cause a substantial hardship to the Covered Employer; and

(g) Chapter 30B Contract Waiver Request Contents. A Chapter 30B contract waiver request shall include the following:

- (1) The nature of the Assistance to which this Chapter applies;
- (2) A detailed explanation of why the contracted work cannot be segregated from the other work of the bidding Covered Employers thereby making the cost of the contract with the payment of the Living Wage inordinately expensive or would result in a significant loss of services;

(h) Community Advisory Board review and recommendation regarding waiver requests. The Community Advisory Board, as described in Section 2.121.070 of this ordinance, shall consider waiver requests along with their supporting documentation and analysis, and may hold a public hearing to consider the views of the public before making a recommendation to the City Manager regarding the waiver request. For a hardship waiver, the Community Advisory Board shall offer an opportunity to be heard to employees of the Covered Employer. After reviewing the recommendation of the Community Advisory Board, the City Manager may approve and grant or deny all or part of a request. The City Manager may in his or her discretion grant a temporary hardship waiver pending the hearing before the Community Advisory Board. For Chapter 30B contract waivers, the Community Advisory Board shall make its recommendation to the City Manager no more than thirty days after it is notified of the request for a Chapter 30B contract waiver.

(i) Terms of exceptions. If an employer is subject to this Chapter as a result of its receipt of more than one kind of Assistance covered by this Chapter, and if the City Manager grants a waiver with respect to one form of Assistance, the City Manager need not find that this Chapter is inapplicable to the employer with respect to another form of Assistance received by the employer.

(j) Exceptions. The following positions will be excepted from the requirement of the payment of the Living Wage upon certification in an affidavit in a form approved by the Applicable Department and signed by a principal officer of the Covered Employer that the positions are as follows:
