Dear Cambridge Resident,

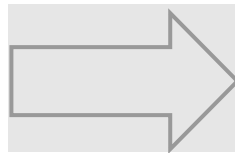

The City of Cambridge has identified you as being eligible for lower electricity costs, by participating in our Community Solar program. We invite you to take part in Community Solar, which is offered by our local community partner Sunwealth Power.

When you sign up for Community Solar, you receive up to 20% **savings on your electricity costs.**

How it works:

Subscribe to receive energy credits from a nearby solar project

Energy credits reduce your electric bill lowering your energy costs

The Community Solar program is designed to save you money through a simple offering:

- Discounted solar credits are automatically applied to reduce your electric bill.
- There are no enrollment or cancellation fees. You can cancel anytime.
- Using a credit card or ACH Automatic payment will result in energy bill credits.
- Energy credits are matched to your energy consumption.

To sign up, fill out the form at: www.sunwealth.com/communitysolar/cambridge or call: 617-530-4033.

Have questions about the program, or need help enrolling? Email communitysolar@sunwealth.com or call 617-530-4033.

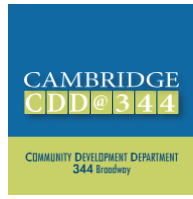

Attend an upcoming virtual information session with City staff on Tuesday, May 7 at 4 p.m. to learn more about community solar. Register at camb.ma/3VaCNhM.

We are excited to help you save on your electricity costs each month.

Thank you for supporting the growth of clean, local energy!

Sincerely,

Iram Farooq

P.S. The Cambridge Community Electricity program is less expensive than Eversource's residential Basic Service. To make sure you are not overpaying for electricity from other suppliers, call the Cambridge Community Electricity Program at 844-379-9934. You can lower your energy cost by combining Cambridge Community Electricity and income-eligible Community Solar.
