Diversity Directory

July 2018

This Diversity Directory lists businesses owned by women or minorities, including people of color, veterans, persons with disabilities, LGBTQ owners, and business owners of Portuguese decent. These categories align with the Massachusetts Supplier Diversity Office, which certifies diverse businesses in the Commonwealth.

The Directory serves as a marketing and networking tool to connect women-owned and minority-owned businesses with companies, institutions, and consumers who are seeking opportunities to support this specific business community. It is not intended for solicitation purposes.

This directory is not exhaustive, as it only covers businesses based in Cambridge who elected to be listed by self-identifying as members of one or more of the six state categories. Businesses do not need to be state certified to be listed in the Cambridge Diversity Directory. To submit your business, [visit the Economic Development website](#). If you have any questions about the Diversity Directory, please email Rona Abrahams at rabrahams@cambridgema.gov.
