THESE PROPOSED PLAY FEATURES ARE SIMILAR TO ANOTHER PARK - PULSE PARK IN RY, DENMARK

We like using it as a ball pit

I like that it's all safety surface

THE SIMPLE, BUT INTERESTING LANDFORMS ARE TOUGH AND APPROPRIATE FOR RUNNING, BIKING AND SKATING. THE SLOPED SURFACES FEEL RISKY TO A CHILD (WHILE STILL BEING SAFE).

The lunar-lander seems to have missed the crater. Houston, please advise...

If the vortex doesn't get that ship, the kraken surely will...

The palm trees on this island grow the best coconuts. Here, try one...

PHYSICAL AND IMAGINATIVE PLAY HELPS KIDS LEARN AND GROW!

THE LANDFORMS SUPPORT CURIOSITY, CREATIVITY AND IMAGINATION TO ALLOW THE CREATION OF NEW WORLDS OF PLAY!
