KENDALL SQUARE PLAN

ZONING RECOMMENDATIONS: AREA-WIDE

G. Remaining elements of K2 zoning to be considered by PB
A dynamic public realm connecting diverse choices for living, working, learning, and playing to inspire continued success of Cambridge’s sustainable, globally-significant innovation community.

- Nurture Kendall’s innovation culture
- Create great places
- Promote environmental sustainability
- Mix living, working and playing
AREA-WIDE ZONING REQUIREMENTS

- Active Ground Floors
- Middle-Income Housing
- Innovation Office Space
- Community Investment/Kendall Sq Fund
- Sustainability
- Parking and Loading
Active Ground Floors

- **Active ground floor uses** encouraged along all public streets and open spaces
- **Ground Floor Retail: Required along** Main Street, Broadway, Ames Street, Third Street and non-residential frontage along Broad Canal Way
• Retail Exemption: Ground-level retail exempted from the district GFA limitations

• Criteria for required and exempt retail
  -- Min. 75% frontage
  -- Min. 40’ average depth
  -- Individual pedestrian entrances

• Encourage needed retail e.g. **grocery** and **pharmacy**

• Remove restrictions on retail and open-air retail (not including drive-in retail) -- as-of-right if within an existing building and 5,000 SF or less; by Planning Board special permit otherwise.
Housing

- **Minimum required housing**: PUD KS-1, KS-2, and KS-4 include a minimum housing requirement.

- **Middle Income Housing (80 – 120% of AMI)**: Required in buildings that exceed 250’ in height. Diverse sizes, including 2-BR and 3-BR. Distributed throughout the building, not just on the top floors.

- **Phasing of minimum required housing**: Certificate of occupancy for no more than 60% of the non-residential capacity may be granted until a Certificate of Occupancy for 100% of the required housing is obtained.
Middle-Income Housing

- **Middle Income** is 80 – 120% of AMI
- **Buildings over 250’** must include middle income units
- Units may be of **diverse sizes**, including 2-BR and 3-BR
- Units to be **distributed throughout the building**. Ground floor units with access to open space are preferred for **family size units**
- **Inclusionary housing** and **incentive zoning** requirements continue to apply
Startup Innovation Space

- 5% of all non-residential GFA to be affordable ‘startup innovation space’ for technology startup companies
- Up to 50% of startup innovation GFA exempt from GFA limit (up to a max. 5% of non-residential GFA in the PUD)

Located in new or existing buildings, or in partnership with other property owners.

Annual reporting on number of tenants, size of spaces etc.

May be provided off-site. Consolidation encouraged.
Startup Innovation Space

• General standards for 'startup innovation space':
  -- must be provided in contiguous in increments of 20,000 sf or more
  -- Min. 50% of space devoted to co-working & shared common areas
  -- flexible, short term leases of 1 month
  -- ≤ 10% of the 'startup innovation space’ to be leased by single company
  -- average size of privately-rentable suites ≤200 sq. ft.
  -- Alternative format w/PB approval

• To be located in new or existing buildings, or in partnership with other property owners.
• Annual reporting required -- number of tenants, size of spaces etc.
• May be provided off-site. Consolidation encouraged.
Community Investments/ Kendall Square Fund

- **Kendall Square Fund** $10.00 per square foot payment on all non-residential GFA in a PUD (min. 30% to each category)
  - **public open space** (primarily management and programming; land, design, and construction in some cases)
  - **Enhanced transit connections** to benefit Kendall Square needs e.g. improved connection and frequency to LMA and North Station and Orange Line (EZRide or other)
  - **workforce readiness training** for Cambridge residents (for all ages to supplement existing programs run by the City, school system, and local businesses)

- Oversight by K2 Fund Committee
- In-kind contributions possible
  - May not include project-specific mitigation, PTDM measures, project review conditions, and the cost of land leases
