

HOST A BLUEBIKES STATION

Help Us Grow Bike Share in the Metro Boston Region!

Bring a brand new Bluebikes station adjacent to your building to demonstrate your company's support of sustainable transportation in our region. Bike share offers your community of tenants, customers, and/or employees a convenient and sustainable form of transportation that makes getting around town a breeze!

Standard station includes 19 docks and affords an additional 11 bikes to be added to the fleet. Cost to be adjusted for different station size or any specialized equipment that may be needed at your location.

STATION SPONSORSHIP INCLUDES:

Champion status membership discount (\$70/member, no subsidy required by sponsor)

Recognition on the station and Bluebikes website

Acknowledgment on program map (web and mobile)

1 on-site promotional event or member sign-up drive staffed by Bluebikes ambassadors

INVESTMENT: \$75,000 for a 6 year term *(based on a 19 dock station)*
