

## GRAND JUNCTION MUP PROJECT VIRTUAL OPEN HOUSE

The Grand Junction Multi-use Path is a proposed off-street multi-use path running alongside the existing tracks in the Grand Junction corridor from the Boston University Bridge to Somerville. The City of Cambridge invites the public to learn about the proposed path design and provide feedback on path elements through a virtual open house project website. The city has developed this path design based on feedback over the last year and a half through public meetings, a public working group, and individual stakeholder outreach.

### VISIT THE GRAND JUNCTION STORYMAP

**From December 4<sup>th</sup> to January 4<sup>th</sup>**

Beginning December 4, you can visit the StoryMap to see the proposed path design and provide your input on design ideas for path entrances and street crossings. We also want your feedback on urban design, public art, and green space elements. City staff will post a link to the StoryMap on the Grand Junction project webpage.

### QUESTION & ANSWER PUBLIC INFORMATION SESSION

**Tuesday December 8, 2020 5:30 – 7:00 PM**

Attend the Q&A public information session with City staff and project team members on December 8 to ask your own or other's questions. This meeting will not have a formal presentation. Project staff ask you to visit the StoryMap to view the design before the meeting. Join at 6:00 PM to ask your questions. If you don't have time before December 8 to view the StoryMap, join at 5:30 PM for an quick overview and introduction to the StoryMap tool. The Question & Answer portion of the public information session will begin at 6:00 PM.

City staff will host this public information session with remote participation on the Zoom webinar platform; to register, visit [https://cambridgema.zoom.us/webinar/register/2016058084813/WN\\_DfNLVf27TEctC0J29afeQA](https://cambridgema.zoom.us/webinar/register/2016058084813/WN_DfNLVf27TEctC0J29afeQA)
