

Linear Park Redesign Project

The Linear Park Redesign project will reimagine a beloved and highly used community park and multi-use pathway.

Park Zones

The park redesign includes areas for informal play, exploration, resting, and relaxing.

1 Stone Zone

- Play, step, leap & climb
- Explore off the main path

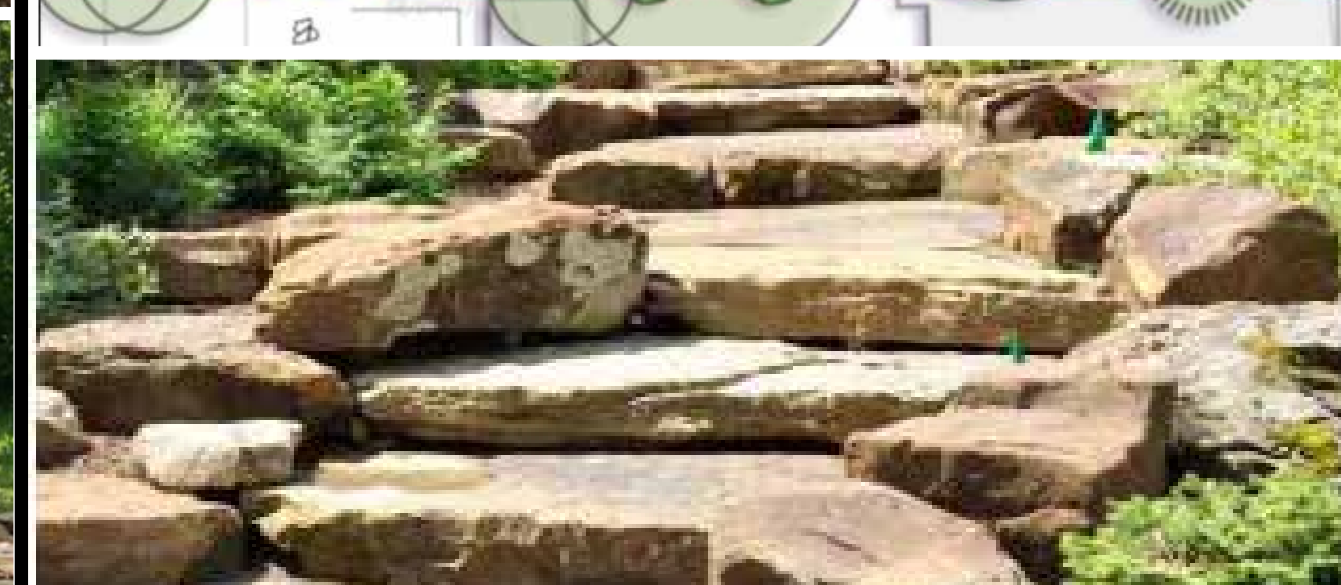

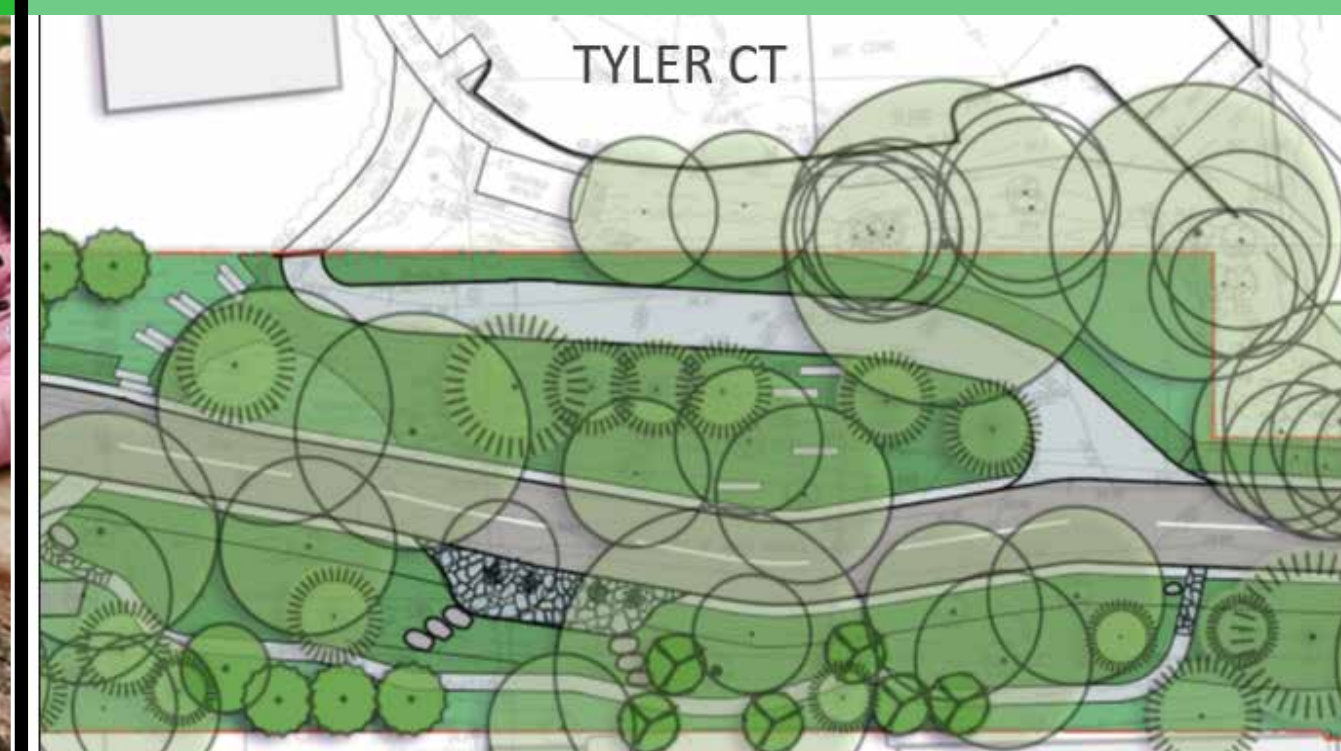

2 Tree Trek

- Natural play materials
- Over, under & through

3 Slope Scramble

- Clamber & crawl
- Retain soil

4 Social Spaces

- Variety of seating types (swinging bench & clustered seating)
- Artwork from Matthew Mazzotta & Dan Borelli
