River Street: Memorial Drive to Putnam Avenue
Option B: Shared Use Path

Option to provide a Shared-Use Path connection to Western Avenue or to Riverside Press Park entrance (can also be applied to Option A).

Option to relocate bus stop closer to Blackstone Street for added amenity space (can also be applied to Option A).

Right turns onto Putnam Avenue occur from bus lane.

Bus lane requirement dependent upon outcome of the River Street Bridge project.

Third lane on River Street constrains Shared-Use Path and limits the ability to install amenity space.

Two travel lanes merge into one before Blackstone Street intersection.

Third lane on River Street.

Bus lane requirement dependent upon outcome of the River Street Bridge project to the west.

Shells station (GAS)
