Subject: de Rahm, et al. Zoning Petition (Enforcement and Fines)

Recommendation: The Planning Board recommends ADOPTION of the petition, with recommended changes to the zoning language.

To the Honorable, the City Council,

The Planning Board recommends that the City Council adopt the language that has been provided by the City’s Law Department in response to the proposal by the petitioners. That language is attached on the following page.

The recommended zoning language would increase the penalty for a zoning violation to the maximum amount allowed under M.G.L. Chapter 40A, and would provide a mechanism by which violations could be punished by a non-criminal fine. Under current regulations, zoning may only be enforced through criminal proceedings.

If adopted, the proposed change would provide an additional tool to aid in enforcement of the City’s zoning regulations, which would help to strengthen and support the City’s planning efforts.

Respectfully submitted for the Planning Board,

Hugh Russell, Chair.
