

Notice of Meeting

March 24, 2025

This notice is to invite you to a virtual meeting to be held via Zoom regarding the design of Unit B at 18 Clinton Street. We will show plans and collect feedback and answer questions. The design repositions a section of Unit B to sit farther away from the north and east property lines and will add an additional story. Windows have been added on all elevations. In addition, the ground level of the basement foundation was previously raised to accommodate a high-water table in the rear of the lot and thereby minimize flood risk.

The meeting will be held as follows:
