ABOUT THE MEETING & PROJECT

Grasso Development LLC is holding a virtual community meeting to provide information on a proposed residential development at 53 8th Street, Cambridge, MA 02141, encompassing two adjacent parcels formerly known as 47 8th Street and 53R 8th Street.

47 8th Street is currently a vacant lot. The existing single-family structure at 53R 8th Street will be demolished. In their place, the applicant proposes a new four-story building containing eight condominium units, all served by elevator access.

Neighbors, abutters, and other interested community members are invited to attend the meeting virtually to review the proposal, ask questions, and share feedback directly with the project team.
