The Jane Austen Society

by Natalie Jenner

With the last bit of Austen's legacy threatened, a group of disparate individuals come together to preserve both Jane Austen's home and her legacy. These people—a laborer, a young widow, the local doctor, and a movie star, among others—could not be more different and yet they are united in their love for the works and words of Austen. As each of them endures their own quiet struggle with loss and trauma, some from the recent war, others from more distant tragedies, they rally together to create the Jane Austen Society. A powerful and moving novel that explores the tragedies and triumphs of life, both large and small, and the universal humanity in us all, Natalie Jenner's *The Jane Austen Society* is destined to resonate with readers for years to come"-- Provided by publisher.
