

COMMUNITY ASTRONOMY NIGHT

EXPLORE THE NIGHT SKIES

with high school interns from
Center for Astrophysics |
Harvard & Smithsonian
Science Research Mentoring Program

Are you interested in viewing Jupiter? Do you ever wondered about black holes? What about life on other planets? Have you ever wanted to take apart a telescope and see how it works?

If you answered, "YES!" to any of these questions, then

COME JOIN US FOR FUN & PIZZA!

REGISTER HERE!

**MARCH
11TH
6-8 PM**

CAMBRIDGE STREET UPPER SCHOOL

Cafeteria and courtyard
850 Cambridge St
Cambridge, MA 02141
