

MATHBUCK\$ PILOT

Summer 2025

Now enrolling families with children 4-10 years old!

What is it?

MathTalk is seeking families to test our latest version of the *Math!Everywhere!* app! Explore your neighborhood with fun, interactive math tasks, exciting augmented reality experiences, and earn virtual currency (MathBuck\$) to spend at local businesses.

What will I be doing?

You and your child will use the app for about **1 hour a week** as you explore local math adventures over **10 weeks**.

When and how long?

The app launches **mid July**, and the pilot runs through the **end of September**. **MathBuck\$ can be redeemed through October 2025!**

Compensation?

Earn MathBuck\$ to redeem for real rewards at participating local businesses in your neighborhood!
