

COMMUNITY ASTRONOMY NIGHT

EXPLORE THE NIGHT SKIES

with high school interns from
Center for Astrophysics |
Harvard & Smithsonian
Science Research Mentoring Program

Are you interested in viewing planets and identifying constellations? Have you ever wondered how a telescope works? Are you curious about the upcoming eclipse? Would you like to learn more about astronomy activities you can do at home?

If you answered, "YES!" to any of these questions, then

COME JOIN US!

**MARCH
20
6-8 PM**

CAMBRIDGE PUBLIC LIBRARY

Community Room & Joan Lorentz Park
449 Broadway
Cambridge, MA 02139
