# Cambridge Week of the Young Child<sup>®</sup>

April 10 - 16, 2021

Networking!

The last year has proved to be challenging for so many. In the midst of it all, early childhood educators (including administrators, teachers, family childcare providers, home visitors, and families supporting their children's learning at home) proved just how essential their work is.

And although things are not yet quite the same, The Birth to 3rd Grade Partnership is taking this moment to celebrate the joys of childhood, and those of you who make that joy happen each and every day!

Join us for an exciting week of **VIRTUAL** professional learning opportunities, interactive workshops and networking events...

Click [here](#) to register!  
(Priority registration ends April 4, 2021)

Family  
Activities!

Prizes!

End-of-week  
celebration!

Join us for our special Opening Session on  
Saturday, April 10th at 9am featuring...  
Cambridge Mayor, Sumbul Siddiqui!
