Recycling and Music
Ecology of Sound

Fly Buzz Honk Festival

Massachusetts Cultural Council

August 7–10! Kids will get to experience our city's creatures and their habitats with hands-on art and puppetry activities, nest-building, and demonstrations. Join us to march in a **Fly, Buzz, Honk, and SQUEAK** mini-parade around the park on Thursday Aug. 10th, where you can wear a flower hat, carry a giant butterfly puppet, or walk inside a giant cottontail rabbit puppet; or, wear an animal mask you made earlier in the week. The festival is brought to you through a collaboration with the Cambridge Wildlife Puppetry Project.

CAMBRIDGE ARTS

Activities and schedule are subject to change.

Join us daily for water play, bubbles and lots of fun!

See back for Live Show Details!
