

FIRST/SECOND STREET CORRIDOR STUDY

CONCEPT 2  
SEPARATED BIKE LANES PLUS BUS LANE  
IN ONE DIRECTION

February 2022

DRAFT

NOTES:

- Bus lane would support existing shuttle buses and assumes future high frequency and reliable transit services on First Street to connect Lechmere and Kendall Square MBTA stations and points beyond.
- Bus lanes could be used for drop-off/pick-up/loading activities during weekday non-rush hour periods and on weekends.
