

## Preferred Alternative Separated Bike Lanes

Keeps two travel lanes

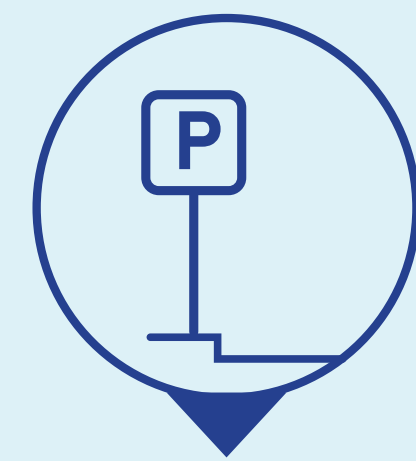

Adds separated bike lanes

Removes metered parking on Mass Ave

Improves the Porter Square bus stop at Upland Road (northbound)

Parking modification on Mt. Vernon Street

Adds new accessible/disability parking spaces

- 1 Double-berth Bus Stop at Porter Square Station**
- Extends existing bus stop approximately 50 feet
  - Allows for more efficient boarding
  - Two buses can serve the stop at once
  - Improves accessibility

- 2 Accessible/Disability Parking**
- Two new accessible/disability parking spaces along this section of Mass Ave

- 3 Parking Modification on Mt Vernon Street - Optional**
- To offset the loss of parking on Mass Ave, we can relocate metered spaces to Mt Vernon Street
  - Number of spaces is subject to community feedback
  - No parking changes in front of residential homes
