— IT'S EASIER TO HOST —

BLOCK PARTIES

AND PLAY STREETS

Want to make new friends and feel connected to your neighborhood?

Host a block party! It's easy to host one in Cambridge. The City of Cambridge also offers \$200 awards (limited funds available) and free Play Streets kits for your party.

Visit www.cambridgema.gov/blockparty to apply for a free permit. To apply you'll need to:

- Choose **WHEN** (date and time) and **WHERE** (what part of your street).
- Collect signatures from your neighbors that are in favor of the block party. You'll need signatures from at least 25% of the households on the block where your party will be located. A signature form is online.
- Create a flyer to promote your block party. You'll need to submit a draft in your application.
