

Main Street Safety Improvement Project

Ice Cream Party

Thursday, September 14, 2023

Pisani Center (131 Washington Street)

4 p.m. to 6 p.m. *(Stop by any time!)*

Free ice cream and refreshments!

The City of Cambridge is adding separated bike lanes and making other safety improvements on Main Street between Mass Ave and Portland Street. This includes the area in front of Newtowne Court.

To fit separated bicycle lanes, we will have to remove over half of the parking on this section of Main Street.

At this event:

- Learn more about the project.
- Tell us: What side of the street should we put parking on?
What kinds of parking should we keep?
