Welcome to the state-of-the-art makerspace located at the Main Library! It is a hub for STEAM learning, creativity, and community collaboration in Cambridge. Its mission is to provide free, hands-on learning opportunities to the Cambridge community, resources for personal projects, and to serve as a hub for skill sharing and creative collaboration.

The Hive is open to individuals with a Minuteman library card. The space is designed for independent use for patrons ages 12 and up and supervised use for children under the age of 12.

### June Workshops

**Hive Safety Training**  
Virtual  
In this virtual workshop, you will learn about our makerspace, how to use our resources, and how to keep safe in The Hive.

**Hive Safety Training and Badge Making**  
In-Person  
In this workshop, you will learn about our makerspace, how to utilize the resources we offer, and how to keep safe in The Hive. You will also create your Hive badge ID using our Glowforge laser cutter.

**Equipment and Studio Reservations**  
In-Person  
Anyone who has completed Hive training and is badged to use equipment or studio(s) can reserve Hive equipment or studio spaces during these times. Staff will assist participants as they are able.

**Glowforge 101: Creative Laser Cutting (Part 1 & 2)**  
In-Person  
Learn how to cut, engrave, and shape designs from a variety of materials using the Glowforge Pro laser cutter in this two-part series.

**Sewing 101**  
In-Person  
Learn the basics of sewing machine operation and safety. This session will cover machine setup, basic functions, threading the machine, reloading the bobbin, sewing straight stitches, and recognizing when stitch tension has gone awry.

**Studio Recording 101**  
In-Person  
Are you interested in podcasting, audio production, or video production? The Hive has two state-of-the-art recording studios! Join this workshop to become familiar with studio equipment and software.

**Videography 101**  
In-Person  
Step into the Hive’s state-of-the-art recording studio and film a short video of yourself in front of our green screen. Then, spend some time becoming familiar with video editing software while working with your footage.

**Vinyl Cutting 101**  
In-Person  
Would you like to make your own vinyl signs, stickers, or images to transfer to T-shirts and other textiles? In this workshop, you can learn how to use our Roland Camm-1 GS-24 vinyl cutter. You can then design and cut a sticker.

**XR Lab 101**  
In-Person  
Extended reality (XR) opens the door to worlds and experiences outside the everyday through virtual reality, augmented reality, and mixed reality equipment. Test drive our Microsoft HoloLens augmented reality glasses, Structure Sensor 3D scanner, Merge headsets, and more.

**3D Printing 101 (Part 1 & 2)**  
In-Person  
Learn how to create objects in digital space and fabricate those creations using our Sindoh 3D printers in this two-part series.
