

# Demolition Public Meeting for 221 Mt Auburn Street

## Details to be shared 10/22

A virtual public meeting will be held on Wednesday, October 22, from 6-8 p.m., to discuss demolition updates about 221 Mount Auburn Street, Riverview Condominiums, and answer questions.

**What:** Demolition Public Meeting

**Date:** Wednesday, October 22, 6-8 p.m.

**Location:** Virtual – register here: [camb.ma/riverviewoctmeeting](https://camb.ma/riverviewoctmeeting)

Representatives from the construction team will share the demolition plans, including the anticipated construction schedule, dust management strategies, air quality and vibration monitoring, and other measures protective of public health and safety during the demolition. Residents are encouraged to attend the meeting to hear directly from the team conducting the work. The construction team includes: Consigli (general contractor), NorthStar (demolition contractor), SGH (engineer), and TRC (environmental consultant).

In the coming weeks, you will see work in and around the site to prepare for the demolition. The demolition is scheduled to begin in November. The team continues to meet weekly, refining demolition, mitigation, and monitoring plans to demolish the building and protect public health and safety.
