

# COMMUNITY MEETING ON RODENT CONTROL & PREVENTION

Join members of the Department of Public Works, Inspectional Services Department, and City Manager's Office for a community meeting to discuss rodent issues and how residents, businesses, and the City can help combat rats.

City staff will share information on best practices to rodent-proof properties, answer questions from residents, provide updates about possible future technologies, and share information about the City's Private Property Rodent Control Program and how to apply.

**Wednesday April 6, 2022**

6:00 PM - 7:30 PM

Cambridge Community Center  
5 Callender St

If you have questions, please email
