City of Cambridge

City of Cambridge

The number of COVID-19 cases in Cambridge has increased significantly:

- Senior Centers
- Council on Aging

COVID-19 (formerly known as Novel Coronavirus) has spread rapidly in Cambridge. The number of cases has increased significantly in recent days. The City has recommended that all residents stay home and practice social distancing. The City has also established a COVID-19 information hotline for residents who have questions: 617-349-9155 or www.cambridgema.gov/covid19/food
