2018 Cambridge Flu Clinic Schedule

October 3, 2018

Cambridge residents can receive a seasonal flu shot at the Cambridge Public Health Department's annual flu clinics. While there is no charge to the public for flu shots, people are encouraged to bring their health insurance cards with them to the clinics.

High-dose flu vaccine will not be available at the Cambridge flu clinics. High-dose vaccine is available at most Cambridge pharmacies.

The health department does not expect at this time that FluMist for children will be available at the flu clinics. Please check www.cambridgepublichealth.org for the latest updates.

For more information, visit www.cambridgepublichealth.org. To listen to a recording of the flu clinic schedule, call 617-665-3855.
