

# Harvard Athletic Complex Allston

Memorial Day Weekend  
May 24-26

Gates open at 2:30pm on Friday and at 12pm on Saturday & Sunday.

Headliner Act begins each night at 9pm. Music ends at 11pm. Grounds cleared by 11:30pm.

## WHAT SHOULD I EXPECT IN MY COMMUNITY DURING THE FESTIVAL ?

### KEY LOGISTICS

The majority of work will occur on weekdays, during daytime hours. There will be some overnight work taking place during the festival weekend as artists arrive and unload their equipment. All trucks coming to work at the event during the week of the build will be directed to exit off the Mass Pike onto Soldier's Field Surface Road, and avoid going through the community. Breakdown takes about 3 days to complete, and the festival site and surrounding areas will be returned to the condition it was in before the festival.

### PUBLIC SAFETY

Public Safety has always been one of the top priorities of the Festival and it is considered one of the safest music festivals in America. Boston Calling works closely with the City of Boston, the City of Cambridge, and all public safety departments. There will be ample MA State Police, Boston Police, and Cambridge Police officials directing festival attendees to and from the site, monitoring inside the festival, and in the surrounding neighborhoods.

### PUBLIC TRANSPORTATION

The best option as there will be minimal parking available! Traffic & Parking Officers in both Boston & Cambridge will be monitoring residential roads. The MBTA is increasing Red Line frequency and there will be extra buses added to the routes #66 and #86 buses for all 3 evenings, 6PM - 2AM. There will also be 3 buses standing by on Western Ave. at N. Harvard at 1030pm. These buses will be heading toward Dudley Station. Bus routes will be on diversion due to N. Harvard St & JFK St. being closed at the end of the evening. More specifics can be found at <http://mbta.com/schedules>

### RIDE SHARE

There will be a dedicated LYFT ride share lot at the Harvard Business School on Western Ave in Allston. In Cambridge there will be dedicated RIDE SHARE pick-up/drop-off areas at Mt. Auburn Street between Dunster & Holyoke Streets, and at Garden Street between Mason Street & Appian Way.

### ROAD DETOURS

Beginning at 9pm, N. Harvard Street, in Allston, will be closed to allow for maximum attendee departure and pedestrian safety. Cambridge PD plans the following street closures at 9pm as well: JFK from Mass Ave. to the River; Mass Ave. from Garden to JFK/Brattle; Mt. Auburn from Brattle to Dunster; Brattle Street at Mt. Auburn; Church Street from Mass Ave to Palmer Street; Palmer Street; South Street from JFK to Dunster. Additional closures, including Mt. Auburn Street from Hawthorn Street into Harvard Square, may occur at other peak pedestrian times.
