Understanding Early Voting

What is Early Voting?

Early Voting is an opportunity to vote before Election Day. You can vote in person or by mail, and your ballot will be cast for you on Election Day. The early voting period is set by Massachusetts State Law.

Who can vote early?

Any registered voter in Cambridge can vote during the early voting period! Unlike absentee voting, you don't need an excuse or reason to vote early!

Where can I vote early?

Unlike Election Day, you are not assigned to a polling location. You can go to any of the Cambridge Early Voting Locations detailed below. **The Election Commission office** located at 689 Massachusetts Avenue will NOT be an early voting location for the State Election.

When can I vote early?

The Early Voting Period is from Saturday, October 17, 2026 through Friday, October 30, 2026.

The times vary from day to day so check out the schedule below.

What if I want to vote on Election Day instead?

If you don't vote early, you can still vote at your assigned polling location on Election Day. **PLEASE BE ADVISED THAT YOUR POLLING LOCATION MAY HAVE CHANGED.**

You will receive a voter notification card with your assigned location prior to Election Day, or you can look it up at www.cambridgema.gov/pollinglocations.

Polls will be open from 7 a.m. until 8 p.m. on Tuesday, November 3, 2026. You can only vote once—if you cast an early voting ballot, you cannot vote on Election Day.
