Dear Taxpayers of Cambridge:

This is the third newsletter issued to Cambridge taxpayers to provide information regarding the City’s budget and property taxes. Property tax bills for the first half of the fiscal year were mailed to you on October 22, 2021, with a due date of November 22, 2021. This newsletter contains information about property tax exemptions and tax deferrals that may help you reduce or defer real estate taxes.

Please read this information carefully, and if you believe you are eligible for an exemption or tax deferral program, contact the City of Cambridge Assessing Department at 617-349-4343 to request an application form or to discuss your particular situation. Information is also available on the City’s Assessing Department web page: CambridgeMA.gov/assessing. The City continues to offer one of the most generous tax exemption programs in the Commonwealth. Each year, the City Council votes to double the value of the statutory exemptions, and to index income and asset levels to keep pace with inflation. Cambridge was one of the first municipalities in the Commonwealth to adopt this taxpayer benefit.

Additionally, each year the City adopts one of the highest residential exemptions allowed by law. The FY22 residential exemption is $443,056, which results in a tax bill reduction of $2,623 for owners who reside in their property and file a Massachusetts income tax return using that address.

Please note that if you did not receive a FY22 property tax bill, you should contact the Finance Department immediately (617-349-4220 or treasurer@CambridgeMA.gov) to receive a copy. Under State law, you are still responsible for paying your property tax bill on time, even if you did not receive the actual tax bill.

I encourage you to read this publication, and to seek out City staff from the departments listed on the back cover with any questions or comments.

Very truly yours,

Louis A. DePasquale
City Manager

Mark your calendars!

Please note that payments are considered made when received by the Finance Department. The City does not accept postmarked or mailing dates. Please plan accordingly if mailing payment. You can also use the payment drop box located behind City Hall or make payments online.

Elderly, Veteran, and Other Statutory Exemptions

A variety of statutory exemptions are available to reduce property tax obligations for certain qualifying taxpayers: low income elderly persons, blind persons, disabled veterans, surviving spouses or orphaned minor children, and extreme hardship. There is also an exemption for active duty Massachusetts military service members.

Applications for FY22 statutory exemptions are due no later than April 1, 2022 (MGL Ch.59, S.5, effective 11/7/2016)

General Qualifications for Exemptions: Applicants must meet age, income, and residency qualifications as of July 1, 2021. In most cases, the applicant must have owned and occupied real estate property in Massachusetts for five years (and owned and occupied the current property on July 1 in the year of application). In certain cases, there is also a requirement that the applicant has lived in Massachusetts for the past ten (10) years.

In some circumstances, if two or more persons jointly own a property and each qualifies for a different exemption, more than one exemption may be applied to a single property tax bill.

For Owners of Property in Trust: Trust ownership arrangement may affect qualification for a statutory exemption. Consult your attorney if these requirements pertain to you.

As a general rule, an applicant must be a trustee and a beneficiary and submit:

- A copy of a recorded trust instrument, including amendments
- A copy of the schedule of beneficiaries

The following table provides a general idea of the exemptions available. For more information, please contact the Assessing Department at 617-349-4343.

Residential Exemption

Almost two-thirds of the residential property in Cambridge is owner occupied. You are eligible for a residential exemption if you owned and occupied your property as your primary residence as of January 1, 2021. Check your bill to make sure that you received the residential exemption. If you do not see this on your bill, and you qualify, an application form must be submitted no later than April 1, 2022. You do not need to reapply each year.

Senior Tax Deferral Program

Homeowners who are 65 or older and who meet certain income and asset guidelines are eligible to defer up to 100% of annual property taxes. As required by State law, deferred taxes accumulate with simple interest at 4% as a lien on the property until it is sold or the owner is deceased.

Massachusetts Military Service Tax Payment

Another form of tax relief available to Massachusetts National Guardsmen and Reservists deployed outside of the State, is the Massachusetts Military Service Tax Payment Deferment. National Guardsmen and Reservists deployed outside Massachusetts, and their dependents, are granted up to 180 days after that service to pay their property taxes without interest or penalties. This local option statute is patterned after the provisions of the Federal Service Members Civil Relief Act, which allows similar benefits for federal, state, or local income taxes. The deferment applies to all outstanding property taxes of qualifying Guardsmen or Reservists and their dependents, regardless of when the taxes are due.

Community Preservation Act (CPA)

CPA Residential Exemption: The first $100,000 of residential property value is automatically exempt from the CPA surcharge. The CPA surcharge on your FY22 bill accounts for the $100,000 exemption.

CPA Low/Moderate Income Exemption: Qualifying lower income owners and low to moderate income seniors may be eligible for a full surcharge exemption, based on income guidelines established by the Commonwealth each year. The form is available on the City’s Assessing Department webpage.

Senior Circuit Breaker Tax Credit

Eligible seniors are able to reduce their property taxes even further through this State Tax Credit program. A tax credit is available to assist low to moderate income seniors in paying property taxes and utility charges. Under this program, eligible homeowners and renters receive a refundable credit on their state income taxes, if they file annual income tax return (for the previous taxable year). This is a State program. For more information, please contact the Massachusetts Department of Revenue Customer Service at 617-887-6367.

Abatement Applications

You may file an application for abatement with the Assessing Department after the 1st tax bill issue date. Abatement applications are due no later than the first bill due date. For FY22, this is November 22, 2021. You may obtain an application by calling the Assessing Department or downloading the form from the City’s website. Download an application at: CambridgeMA.gov/Services/realestatepropertytaxabatement

Reasons to file for an abatement include:

- Overvalued, based on an assessment date of January 1, 2021;
- Disproportionately assessed in comparison with other properties;
- Classified incorrectly as residential, open space, commercial or industrial real property; or
- Partially or fully exempt.

The Impact of COVID-19

The real estate tax assessments always look back in time. Based on state law, the November 2021 property tax bill for Fiscal Year 2022 (FY22) uses January 1, 2021 as the date to determine values, looking at property sales that occurred during calendar year 2020. Therefore, the FY22 assessments, unlike the FY21 assessments, reflect the impact of COVID-19.

This chart illustrates the timeframes used for real estate valuations for each fiscal year.
