## APPLICATION FOR CERTIFICATE

CAMBRIDGE HISTORICAL COMMISSION

1. The undersigned hereby applies to the Cambridge Historical Commission for a Certificate of (check one box):  Appropriateness,  Nonapplicability, or  Hardship, in accordance with Chapter 40C of the Massachusetts General Laws and/or Chapter 2.78 of the Municipal Code.

2. Address of property: 5 Longfellow Park, Cambridge, Massachusetts

3. Describe the proposed alteration(s), construction or demolition in the space provided below: (An additional page can be attached, if necessary).

Replacement of two original wooden casement windows in the balcony of the Meeting House with new double-hung wooden windows. The original windows are deteriorating and difficult to open and secure. They also present a safety hazard as a child could climb up from the bench in front of a window and fall out. The new windows are high quality wooden Marvin windows and will be installed so as to match the current exterior trim. They will also be paned as are the other windows on the buildings.

I certify that the information contained herein is true and accurate to the best of my knowledge and belief. The undersigned also attests that he/she has read the statements printed on the reverse.
