- 1. The undersigned hereby applies to the Cambridge Historical Commission for a Certificate of (check one box): [X] Appropriateness, [] Nonapplicability, or [] Hardship, in accordance with Chapter 40C of the Massachusetts General Laws and/or Chapter 2.78 of the Municipal Code.
2. Address of property: 8 Craigie Street, Cambridge, Massachusetts
3. Describe the proposed alteration(s), construction or demolition in the space provided below: (An additional page can be attached, if necessary).
1. Rebuild crumbling front steps. Current steps are bluestone and brick. Proposed new steps would be broadened and constructed of bluestone and brick or fieldstone. See attached drawing.
2. Rebuild current brick walkway in front of house, and replace cement driveway with brick.
3. Request change of house color. We are working with Susan Maycock to select warm, historically appropriate colors for body, trim, and shutters. We also propose scraping the paint off the brick ends of the home to return to the original brick appearance.
