6. City portrait collection. At Mayor Simmons' request most of the mayoral portraits on the second floor have been placed in storage.
7. Cambridge Women's Heritage Project (Sarah Burks). The new website is working now. See [Cambridge Women's Heritage Project](#). While the Women's Commission staff has been laid off, Meta and Sarah will continue working on this project with volunteers and IT.
8. Cambridge Black History Project (aka Black Trailblazers, formerly African American Heritage Alliance; Leslie Brunetta, Melvin Downes, Chandra Harrington, Diahanne Lucas, Frank Lucas, Paula Paris, Kit Rawlins, Jim Spencer, Karen Ambush Thande)
 - The project received a \$20,000 grant from the Mass Humanities oral history initiative for

- recording equipment, public programs, and an exhibit.
- Received \$3,500 from the Cambridge Community Foundation for general operating expenses and for projects including the bookmarks, continuation of oral history gathering, and design of an exhibit of historic photographs collected by Project members and oral history participants.
9. Survey of Architectural History in Cambridge (Eric Hill). Misc. MHC Form B survey forms:
 10. Historic American Landscape Survey (HALS). Allison Crosbie won second place in a national competition for her submission of the Gray Gardens subdivision designed by the Olmsted Brothers firm in 1924. Previous submissions include Lewisville in 2021, the former Harvard Botanic Garden at Linnaean and Garden streets in 2020, and Larchwood streetscape in 2019. Presently working on a submission for Hubbard Avenue.
 11. Cambridge Advisory Committee on City Art, Memorials and Markers (CACCAMM) (CS and SB). This committee reviewed public monuments, memorials, and markers throughout Cambridge “to determine whether any of these commemorate those who were linked to the slave trade or engaged in other similarly shameful acts, (and) to determine which individuals - particularly women, people of color, and those from other historically marginalized communities - should be newly recognized.” CHC staff created a web page for the committee, managed meetings, and conducted an inventory of existing memorials and markers. No developments.
 12. Mayor’s Summer Youth Program (CS). Supported Mayor’s program on Harriet Jacobs.
 13. Harvard Square Advisory Committee (AC). Allison Crosbie has been reappointed as CHC representative on the committee.
 14. Inner Belt history. Volunteer Steve Kaiser has spent several years researching and writing about the history of the Inner Belt in Cambridge. His work is featured on the CHC website.
 15. Cambridge Indigenous History Project. Mayor Siddiqui initially facilitated contacts with the local Indigenous community. A committee of Indigenous residents, historians, advocates, and language experts steers the project and advises on other issues. Sarah Burks is working with the Manager’s office and a consultant on training on Indigenous history and land acknowledgement.
 16. University Park history. In 2022 summer intern Henry Schmitt researched the history of the 1920s subdivision of University Park, a traditionally middle-class African American community in West Cambridge. We still hope to complete research on this topic.
 17. Hubbard Avenue community study. GSD landscape architecture student Darius Bottorff had been studying the development of the Black community on Hubbard Avenue in North Cambridge and hopes to secure a grant to continue throughout the school year.
 18. Revolution 250 (Kit). Projects include relocating a marker in East Cambridge to a more prominent position (complete); updating a walking tour brochure; supporting research into and commemorating overlooked populations, including Black soldiers, women and children, and Indigenous fighters from various Tribal communities; and an online StoryMap (ongoing). Projects underway include the replacement Washington Elm marker at Garden Street and the cannon carriage replacements on the Common
 19. Municipal Records Management. After decades of advocacy, we have joined with the City Clerk and IT to explore a centralized approach to digital records management. The City Clerk has hired the city’s first records manager position and an archivist.
 20. Participatory Budgeting. Working through the African American Trail and Indigenous signage projects from previous years. No FY26 PB projects involve the CHC.
 21. Mass Ave. Planning Study (MAPS) recommendations and report conducted by CDD and their consultant team (Eric Hill). Provided feedback and discussed potential incentives for preservation of significant buildings along upper Mass. Ave.

22. Central Square Urban Design Study (C³). Working with Community Development Department (CDD) on a C³ Design Guide, a supplement to the forthcoming Central Square rezoning. Staff has worked to amend a map of significant buildings in Central Square and generated a slideshow showcasing the architectural landmarks worthy of preservation as well as highlighting some significant buildings that once existed in Central Square.

23. Cambridge 400. History Cambridge and the Manager's office have taken the lead in planning a commemoration of the 400th anniversary of the founding of Cambridge in 2030.

XIV. Coming Events.

1. Preservation Awards event will take place on June 11 at Harvard's Adams House. Details to follow.

XV. Budgets, Personnel, and Facilities.

1. FY27 budget guidelines include a prospective 2.1% reduction in the CHC's operating budget.
2. Sam has identified a number of efficiencies that can be used to present a positive FY27 budget.
 - We received our first payment from MCC on our FY26 grant and Sam is working to set up the account with Daniel & the necessary paperwork for the City Council.
 - Sam worked to close out most of the remaining monies in previous MCC grants, so we can close those out.
 - Sam identified the grant monies that are available to fund at least one Archive Assistant. She is in process with getting approval from HR to post for one position.
3. We have hired Ashley Barrington, a Cambridge resident who most recently worked at the Harvard Art Museums, as a part time Archives Assistant. This position is funded for the next year by a Mass. Cultural Resources Council grant, which we have received annually for many years.

I. Institutional Preservation Grants, with amount committed, requested, or paid, FY 05-to date.
