IV. Landmarks and Preservation Restrictions

1. Shell Spectacular Sign, Memorial Drive. Communicating with Shell Oil Corporation and station manager on the deteriorated condition of the illumination of the Shell Sign (a Cambridge landmark.) The long-term lease by 7-11 Corporation requires their maintenance and upkeep of the sign. **Owners have sent out a security deposit to start repair of illumination of sign and parts are ordered. They are also inquiring on a price to upgrade the bulbs to LED as the existing illuminated letters are LED while most other lights are yellow bulbs**
2. Designation proceedings, with date of expiration of one-year hold:

Case L-148: 17 Story St. (aka 127 Mt Auburn St.) (8/14/2026). Petition to initiate a landmark designation study of the property containing the Harriet Jacobs house accepted on August 14, 2025. Ongoing.

Case L-149: 84 Magazine St., by Thomas & Martha Sieniewicz, owners (1/7/2027). Request to consider initiation of landmark study of 1867 house approved. Ongoing.

Potential Landmarks and NCDs:

- Eric held initial consultations with new owners at Thomas Leighton House (1834) at 22 Winter Street in East Cambridge, a vernacular Federal/Greek Revival period house built for the manager of New England Glass Company. The new owners originally sought to convert to offices, renovating the house and raising the roof, adding dormers.

### 3. Preservation Restrictions.

Shady Hill Square (expires 2040). Public posting of park rules still required.

## V. Project Review

## VII. Publications

1. *Building Old Cambridge*. Four thousand copies were printed in 2016; as of January 15, 2024, 1,505 remained in stock. The Office of Equity & Inclusion ordered copies of BOC to pass out to visiting dignitaries, as the City Manager was very impressed with the book
2. Oral history publications. We are considering reprinting *Crossroads: Stories of Central*

*Square* (2001), and *Cambridge City Hall* (1990), which have gone out of print. A recent Council Order requested a report on the feasibility of reinstituting an oral history program that would focus on the Black community (not feasible with present funding and staffing).

### IX. Research

1. Researchers assisted in office visits: **7; FYTD: 21<sup>1</sup>**
2. Cambridge Public Library. The CPA-funded Cambridge Chronicle scanning project is online; see <http://cambridge.dlconsulting.com/cgi-bin/cambridge?a=p&p=home&c>. The post-1923 Chronicle is password-protected because of copyright issues.

### X. Preservation Projects

1. Bronze maintenance. All municipal bronze plaques and statues are repatinated periodically. Weathering has been minimal, so we keep postponing from year to year. A recent assessment indicates that patination should be renewed next year.
2. Old Burying Ground. Recent research on African American burials may indicate a section reserved for them. Contractor Leo Greene is currently conducting annual maintenance of about 20 high-priority headstones.

3. Winthrop Park Indigenous Marker
    - FY23 Participatory Budgeting project awarded \$180,000 for Native American and African American markers (see below). With support from the Mayor's Office, we retained Indigenous historian Elizabeth Solomon to consult on this project. The City Council appropriated \$30,000 in CPA funds toward the project in September 2024.
    - CHC staff presented a full-scale mock-up of the marker to the Winthrop Park Trust on March 12. The CHC and the Trustees agreed upon the placement of the marker on the Winthrop St side of the park, behind the fence railings. The Historical Commission approved the design and location. We are looking into adding a recording of the text to the website.
