BZA Application Form

SUPPORTING STATEMENT FOR A SPECIAL PERMIT

Please describe in complete detail how you meet each of the following criteria referring to the property and proposed changes or uses which are requested in your application. Attach sheets with additional information for special permits which have additional criteria, e.g.; fast food permits, comprehensive permits, etc., which must be met.

Granting the Special Permit requested for 16 Brattle Cir., Cambridge, MA (location) would not be a detriment to the public interest because:

A) Requirements of the Ordinance can or will be met for the following reasons:

The extent of non-conformance of the preexisting non-conforming structure will not be made substantially more detrimental by the addition of proposed canopies. Proposed canopies will protect non-enclosed spaces, leaving in place and/or replacing existing decks, steps and hardscapes.

B) Traffic generated or patterns of access or egress would not cause congestion hazard, or substantial change in established neighborhood character for the following reasons:

The proposal does not affect public egress or roads.

C) The continued operation of or the development of adjacent uses as permitted in the Zoning Ordinance would not be adversely affected by the nature of the proposed use for the following reasons:

The uses of the property remains the same (residential).

D) Nuisance or hazard would not be created to the detriment of the health, safety, and/or welfare of the occupant of the proposed use or the citizens of the City for the following reasons:

The proposal would contribute to the health, safety and welfare of the occupant by keeping the existing entrances protected from weather events (i.e. ice in the winter).

E) For other reasons, the proposed use would not impair the integrity of the district or adjoining district or otherwise derogate from the intent or purpose of this ordinance for the following reasons:

The proposal improves safety conditions on the property, and contains the addition to the minimum possible extent.

***If you have any questions as to whether you can establish all of the applicable legal requirements, you should consult with an attorney.**
