B) The hardship is owing to the following circumstances relating to the soil conditions, shape or topography of such land or structures and especially affecting such land or structures but not affecting generally the zoning district in which it is located for the following reasons:

The hardship is related to the shape and size of hte lot and location of the existing structure on the lot.

C) *DESIRABLE RELIEF MAY BE GRANTED WITHOUT EITHER:*

1) Substantial detriment to the public good for the following reasons:

The proposed addition represents an increase of only 233 square feet and will allow for a floor plan that will better accomodate a family.

2) Relief may be granted without nullifying or substantially derogating from the intent or purpose of this Ordinance for the following reasons:

The adjacent residential uses will not be adversely affected by this addition since it will not hchange the character, nature or purpose of this two family dwelling.

BZA APPLICATION FORM

SUPPORTING STATEMENT FOR A SPECIAL PERMIT

Please describe in complete detail how you meet each of the following criteria referring to the property and proposed changes or uses which are requested in your application. Attach sheets with additional information for special permits which have additional criteria, e.g.; fast food permits, comprehensive permits, etc., which must be met.

Granting the Special Permit requested for 4-6 Kinnaird St Cambridge, MA (location) would not be a detriment to the public interest because:

- A)** Requirements of the Ordinance can or will be met for the following reasons:
Article 8.22.2(c) permits the creation of windows on non-conforming walls when, as in this case, there are no further violations of the dimensional requirements of Article 5.000.
- B)** Traffic generated or patterns of access or egress would not cause congestion hazard, or substantial change in established neighborhood character for the following reasons:
There will not be any change in traffic patterns as a result of adding windows.
- C)** The continued operation of or the development of adjacent uses as permitted in the Zoning Ordinance would not be adversely affected by the nature of the proposed use for the following reasons:
Adjacent uses will not be affected since the use of the property as a two family dwelling will not be changed.
- D)** Nuisance or hazard would not be created to the detriment of the health, safety and/or welfare of the occupant of the proposed use or the citizens of the City for the following reasons:
Adding windows will benefit the health, safety, and welfare of the occupants of this dwelling.
- E)** For other reasons, the proposed use would not impair the integrity of the district or adjoining district or otherwise derogate from the intent or purpose of this ordinance for the following reasons:
The proposed windows will not change the use of the property and are consistent with the residential uses in the district.
