This is so they have the ability to be open for international games. In reality, they intend to have the standard business open at 11 a.m. and close at 2 a.m.

Decision: Granted as to the outdoor seating and changes in hours; defer with regard to request to increase capacity inside to 120 until get input from Inspectional Services Department on the issue and receive updated Certificate of Inspection.

In basement there is 1 bathroom and storage. There are 2 egresses, one at the front and one in the back.

Present: Kaurys Lajara; and Carlos Arias.

Documents Considered: Application and documents attached thereto.

Summary: This is going into the location previously occupied by Mainely Burgers. It is meant to be an authentic Mexican concept about 8 locations in Boston, and other locations. They do intend to also operate the same outdoor area that was used by Mainely Burgers. The floor plan needs to show the layout of the seating. There will there be no seating in the basement. Decision: Granted with the conditions that it is only valid for a total of 4 weekends; must inform the License Commission at noise@cambridgema.gov and the Department of Public Works at least 48 hours prior to the start date for each of the weekends intended to be used; once the 4 weekends are exhausted, the variance is moot and will not be valid; and failure to inform the License Commission prior to exercising the variance will be considered a violation of the conditions of the permit and a violation of the Noise Ordinance subject to civil fines of \$300/violation/day.

8. Disciplinary Republic Services, Solid Waste Hauler License #14078, for allegedly loading and unloading outside allowable hours in violation of CMC 8.16.080(e) on June 23, 2023 and June 26, 2023 (both at 6:50 a.m.) at 1575 Cambridge Street.

Both were reported to have taken place at 6:50 a.m., with the first occurring on June 23, and the second on June 26. Youville House has submitted a waiver of hearing accepting the violation and clarifying the dumpster belongs to it and not Spaulding Hospital. Dalton testified they are working on resolving this matter.

Decision: Violation, 2 counts, \$300 fine per violation for a total fine of \$600.

[Matters 9 & 10 were heard together]

9. Disciplinary Halal Guys, Common Victualler with Entertainment License #109032, for allegedly loading and unloading outside of the allowable hours in violation of CMC 8.16.080(e) on June 9, 2023 (6:48 a.m.) and June 21, 2023 (6:30 a.m.) at 15 White Street.

Present: Fahad Iqbal; Jay Raymond, US Foods; Dennis Maher, Esq., US Food; Robert Padilla, resident.

Documents Considered: Hearing notice and documents attached thereto; and file.

Summary: There was testimony that a delivery was made on May 12, 2023 at 5:35 a.m. Halal was made aware of the violation and given a warning on May 23. However, another report was received that US Foods conducted a delivery at 6:48 a.m. on June 9, 2023. Evidence was also provided that another delivery was made by US Foods at 6:30 a.m. on June 21.

Halal referred the issue to Theresa at US Foods and informed them of the Ordinance. Theresa bounced the complaint to someone else at US Foods. Iqbal spoke to the driver when they came in and informed them of the Ordinance.

Maher from US Foods testified they raised the issue with the routing department and asked for deliveries not to be made before 7:00 a.m. They had multiple conversations with the driver. The driver is a dedicated driver, and since the last complaint, they have been and continue to be compliant.

Decision: Violation, warning.

10. Disciplinary US Foods for allegedly loading and unloading outside of the allowable hours in violation of CMC 8.16.080(e) on June 9, 2023 (6:48 a.m.) and June 21, 2023 (6:30 a.m.) at 15 White Street.

Decision: Violation, 2 counts, collective \$300 fine.

11. Disciplinary Four Seasons Foods Service, Inc. d/b/a Koreana, All Alcohol Common Victualler License #11494, 158 Prospect Street, for allegedly not complying with Board's Rule 5B.10, requiring training in the safe service, sale and delivery of alcohol, G. L. c. 138, §§ 23 and 64, G. L. c. 140.

Present: Investigator Tyler Bubenik; and Oscar Amaya, owner.

Documents Considered: Hearing notice and documents attached thereto; and file.

Summary: During a routine Task Force inspection on June 2, 2023 (#1319), Koreana was unable to produce certifications of completion for responsible alcohol service training. On June 7, a notice of violations and warning was sent to the establishment via email. At that time, Koreana was given 14 days to take corrective action, and it was stated that failure to do so may subject them to disciplinary action. A follow up inspection was conducted on June 22 (#1324) and found the outstanding violation to be largely unresolved, as the manager on duty was only able to produce one certificate. They have trained all the employees and will produce the certificates. This is the first time this matter has been an issue.

Decision: Defer waiting to receive certificates from the owner.

12. Disciplinary HK Food Group, LLC d/b/a Alden & Harlow/Longfellow Bar at Alden & Harlow, All Alcohol Common Victualler License #11478, 40 Brattle Street, for allegedly not complying with the approved floor plan or capacity, Board's Rule 5B.10, requiring training in the safe service, sale and delivery of alcohol, and failure to comply with the crowd control law, 527 C.M.R. 1.00, §§ 20.1.5.6.1 – 20.1.5.8.4, G. L. c. 138, §§ 23 and 64, G. L. c. 140, and Board's Rules 2.3, 2.5, 5.1, 5.7, 8.3, 9.2, 9.3, 9.4, and 14.

Present: Investigator Tyler Bubenik; Attorney James Rafferty; Isaac Welch; and Matt Josephson.

Documents Considered: Hearing notice and documents attached thereto; documents received regarding TIPS training; and file.

Summary: During a routine Task Force inspection on June 2, 2023 (#1321), the Manager on duty was unable to produce certificates of completion for responsible alcohol service training. No crowd manager certificates were produced even though per state law they are required to have 2 certified

managers while open to the public. The number of seats on the first floor were over the licensed capacity (9). On June 7, a notice of violations and warning was issued and Alden & Harlow was given 14 days to take corrective or face disciplinary action.

A follow up inspection was conducted on June 22 (#1326) and the outstanding violations were only partially resolved. A limited number (4) of TIPS certificates were produced, with the explanation that the restaurant had scheduled a group training for July 7. The Crowd Manager training certificates were produced, but the daily checklist had lapsed in the previous week; nothing had been completed from June 17 through June 22. The number of seats was over the licensed capacity on the first floor.

It was noted this was not the first time this has been an issue. Received confirmation TIPS training done for entire staff on 7/12. There was no factual disagreement. The chairs were from outside, which were brought in to protect them from the weather. They now have a management checklist to make sure crowd manager paperwork is completed.

Decision: Violation as to all counts, one (1) day suspension to be held in abeyance for nine (9) months.

Administrative Matters

13. Application #232142 Foundry Consortium, Inc. d/b/a Foundry Consortium, 101 Rogers Street, Annual Common Victualler with Entertainment License #232142, has requested a series of one day amendments, on the first Saturday in September, October and November, to the closing time of the license from 11:00 p.m. – 1:00 a.m. on a trial basis to host special events.

Decision: Granted.

14. Ratification of Correction/Statement of Reasons [Matter Heard June 8, 2023] Consigli Construction, violation for engaging in construction activity outside allowable hours on May 19, 2023, 6:30 a.m., at 600 Main Street, CMC 8.16.080(F)(1). \$300 fine. Consigli filed a Waiver of Hearing admitting to the violations. The Board issued a Statement of Reasons (“SOR”) on June 29, 2023. The SOR incorrectly stated the complaint was received by a resident when it came from a City of Cambridge employee. The Statement of Reasons has been corrected to properly reflect who reported the activity, the admission stands, and the Board’s vote as to the fine was unchanged.

Decision: Ratified/approved.

15. Consideration of Waiver of Hearing [Disciplinary] D. Muzzioli Associates, Leaf Blower Permit #10707, for allegedly operating a leaf blower during a prohibited period on June 28, 2023 (1:25 p.m.) at 23 Healey Street, in violation of Cambridge Municipal Code 8.16.081.2(a).

Decision: Violation, \$300 fine.

16. Consideration of Waiver of Hearing [Disciplinary] Property Ownership of Spaulding Hospital, for allegedly allowing waste collection outside the allowable hours in violation of CMC 8.16.080(e) on June 23, 2023 and June 26, 2023 (both at 6:50 a.m.) at 1575 Cambridge Street.

Summary: The waiver submitted and information provided with it shows that the responsible property owner is Youville House Assisted Living, located on 1573 Cambridge Street, who share the campus with Spaulding Hospital. They have taken responsibility and informed they have reached out to the vendor responsible, Republic, to try and ensure this doesn't happen in the future.

Decision: Violation, warning.

17. Consideration of Meeting Minutes June 29, 2023.

Decision: Approved.

Summary: The applicant has requested a fee waiver. The band receives no money for their block party performance. They have applied for a grant through the City's program for block parties and if they are to pay the fee it would come from this grant.

Decision: Granted; as to the fee waiver, denied. If the event were longer than one day, the fee would be reduced to a single one-day fee, but as it stands there are a lot of block parties and this nominal fee of \$50 barely covers the administrative costs to grant the license and regulate.
